10979 - 127 Street  
Edmonton, AB T5N 0T1

Dear Ms. Nizam:

**Re: Edmonton Council of Muslim Communities v. JMCK Western Publishing Corporation o/a Western Standard**

This letter is to remind you of responsibilities you have in the complaint process.

The Alberta Human Rights and Citizenship Commission By-laws require that you maintain a current mailing address where you can be contacted. Given this requirement, all your future mail will be sent to you by regular mail at the address you have provided our office. Please send us any change of address so it can be placed on your file. If you do not provide the Commission a current mailing address then your complaint may be dismissed.

Please also note that the purpose of an investigation is to determine the merits of a complaint. A procedurally fair investigation process requires you to cooperate in the investigation. In the absence of your cooperation there may not be a reasonable basis in the information to proceed, and your complaint may be dismissed.

Yours truly

Pardeep Gundara  
Southern Director
