Dear Mme. Folco:

Re: Ezra Levant

Having failed to respond to our repeated letters requesting a response, it is apparent to us that you realize your charges were baseless. That makes your failure to correct the record and apologize to Mr. Levant all the more troubling. If you are unwilling to confirm by the end of the day that you will voluntarily correct the record, Mr. Levant will be contacting the media both to set the record straight and to start a debate about your abuse of Parliamentary privilege. Given the current public debate about whether your Party's Leader and Deputy Leader have defamed the Prime Minister, we can't imagine why you would want the public profile of your own missteps to escalate, but we can assure you that Mr. Levant is serious about protecting his reputation. We trust you will govern yourself accordingly.

Yours truly,

MAY JENSEN SHAWA SOLOMON LLP
