Subject:- Complaint In AHRC against publishing Danish Caricatures in Canada

This has reference to printing of Danish Caricatures, Not only hateful to Muslim community, it is also breach of General Terms of Reciprocal (restriction) of Intellectual Property, Patent and copy rights.
(<http://laws.justice.gc.ca/en/ShowFullDoc/cs/P-4///en>)

Having said that, As a result of actions like printing Danish Caricature, It is very fortunate for Canada not to have suffered property loss or injury/causality here or abroad.

I hope videos like this will not catch much attention for illegal activity, which could harm Canada by terrorism, criminal extremism or suspicious activities,
